# RENTAL AGREEMENT

Concrete By Design, Ltd (CBD) rents concrete stamps & accessories (rental set) to qualified Customers at a rate indicated in our rental brochure. The Rental Period is 24 hours, and it begins the day and time the rental set is picked up unless other terms are pre-arranged between CBD and the Customer in writing.

- \_\_\_\_\_ Deposits will be required for all rentals unless we have a credit application on file, and we've been doing business for at least three years. Deposits are fully refundable if the rented items are returned in full, undamaged, clean and on time.
- \_\_\_\_\_ The customer is to thoroughly inspect stamps during the loading process. Any existing damage to the rental set or any other concerns are to be notated and signed by CBD and the customer on the rental agreement prior to leaving the premises. Otherwise, the customer acknowledges that there is no existing damage to the rental set.
- \_\_\_\_\_ Customer will be billed for any item not returned, or any item damaged at the full retail price.
- \_\_\_\_\_ Rentals are due back as stated in the rental agreement. We already provide a one-hour window for the rental return; no further grace period will be given.
  - Customer will pay \$50 for each 30 minutes the stamps are late for a maximum of \$100 in late fees. If the stamps are more than 1 hr. late, the customer will pay a full day's rental instead for each day or part of day the rental is late.
- \_\_\_\_\_ The stamps, wheel and tamper are to be returned clean, otherwise the customer is subject to the following cleaning fees:
  - Rental Set: \$125 for removal of dirt & release or \$175 if there is dry concrete.
  - Tamper: \$15 for removal of dirt & release or \$25 if there is dry concrete
  - Wheel: \$10 for removal of dirt & release or \$20 if there is dry concrete
- \_\_\_\_\_ Failure to respect and adhere to our terms may result in you being denied any future rentals.
